Parenting for the Future – Nurturing Values, Confidence & Character

Dear Parents,

A child's journey towards becoming a responsible, confident, and compassionate individual begins at home. Recognizing the vital role of parents in this journey, *Global Mission International School* is organising an interactive and thought-provoking session on:

Particulars	Details
Topic	Parent's Role in a Child's Upbringing
Speaker	Dr. Bharat Bhagat
Date	Saturday, 27th June 2026
Time	12:00 Noon to 1:30 PM
Venue	Vandana Hall, Sanskardham Campus

Dr. Bharat Bhagat, Founder Chairman of Health and Care Foundation, has dedicated his life to child welfare and healthcare. His pioneering efforts in pediatric corrective surgery and contribution to the eradication of polio in India have earned him several accolades, including recognition from the Government of Gujarat for his outstanding service to children with disabilities.

The session aims to provide practical guidance on:

- Understanding the evolving needs of children
- Building meaningful parent-child communication
- Nurturing values, resilience, and emotional well-being
- Balancing discipline with empathy
- Creating a positive environment for holistic growth

As parents are the first and most influential teachers in a child's life, your presence and participation will make this session truly meaningful. *Kindly be seated by 11:45 AM.*

We look forward to your esteemed presence.

Warm Regards

Monica Nanda

Principal
