GMIS/26-27/19/July Assessment

Date: 15.07.2026

July Observation Assessment (Nursery)

Dear Parents,

Every child learns and grows at their own pace. Observation-based assessments help us understand each child's progress in a natural and stress-free environment, allowing us to support their learning effectively.

The **July Observation Assessment** for Nursery students will be conducted from **27th to 31st July 2026**, during regular school hours. Teachers will assess students through everyday classroom activities. No special preparation is required.

Assessment Syllabus

Literacy	• Letters (A – D) • Poem: Little Miss Muffet, Five Little Monkeys • Story: Grapes and Fox
Numeracy	• Colours: Red and Blue • Shapes: Circle and Square • Numbers: 1 - 4
General Awareness	• Body Parts • Things I Can Do (e.g., jump, clap, smile, etc.) • Things at Home • Rooms in a home
Hindi	• Rhyme: बारिश आई छम-छम • कहानी: प्यारी परी

Please ensure your child attends school regularly throughout the assessment period as the evaluation is based on continuous classroom observation conducted during regular school activities that cannot be rescheduled.

We appreciate your continued support and cooperation.

Warm regards

Monica Nanda
